1930 to 2021:

- **1938, September**
  - **Cause** = Lord Neville Chamberlain met with Adolf Hitler, signing the Munich Agreement.
  - **Effect** = Sept. 21, one of the most destructive and powerful recorded hurricanes struck Long Island and Southern New England, killing an estimated 700. The brunt of the storm hit a section of Long Island that was home to the Nazi supporting US Bund party.
- **1991, October 30**
  - **Cause** = President Bush, Sr. opened the Madrid Conference with expectation that Israel would trade “Land for Peace”.
  - **Effect** = The “Perfect Storm” develops in the North Atlantic, creating the largest waves recorded in that region. It traveled 1,000 miles from east to west. On October 31, the storm struck the New England coast with 35-foot waves crashing into the Walker’s Point, home of President Bush—his home was extensively damaged.
- **1992, August 23**
  - **Cause** = The Madrid Conference moved to Washington DC and peace talks resumed.
  - **Effect** = One day later Hurricane Andrew hit Florida—estimated \$30 billion in damage; 180,000 homeless across the state.
- **1994, January 16**
  - **Cause** = President Clinton met with Syria’s President Hafez el-Assad in Geneva. They discussed a peace agreement with Israel that included giving up the Golan Heights.
  - **Effect** = Within 24 hours the 6.9 Northridge earthquake hit Southern California-- estimated \$20 billion in damage; 57 people dead; over 5,000 injured.
- **1995**
  - **Cause** = Prime Minister Yitzchak Rabin reneged on campaign promises, aligned with Shimon Peres, and signed the Oslo Accords in 1993—creating the Palestinian National Authority and giving it partial control over areas of the Gaza Strip and West Bank.
  - **Effect** = Rabin was shot and killed in 1995 by Yigal Amir, an extremist who opposed Rabin’s peace initiative and the Oslo Accords.
- **1998, January 21**
  - **Cause** = President Clinton and Secretary of State Albright refuse to have lunch with Prime Minister Netanyahu.
  - **Effect** = Later that same day the Monica Lewinsky scandal broke out.
- **1998, September 28**

- **Cause** = Secretary of State Albright gave a press briefing describing the final details of US brokered agreement between PLO Head Yasser Arafat and Netanyahu—Israel would have been required to give up 13 percent of Judea and Samaria.
- **Effect** = That same day, category 4 Hurricane George hit the US Gulf Coast with winds of 110 mph and gusts up to 175 mph—costliest hurricane since Andrew; \$10 billion in damage; 604 dead.
- **1998, November 30**
  - **Cause** = Arafat in Washington to meet Clinton. He proposed a Palestinian state with Jerusalem as the capital and began efforts to raise money—42 nations agreed to give Arafat \$3 billion; Clinton pledged \$400 million; European nations pledged \$1.7 billion.
  - **Effect** = The same day, the Dow Jones average plunged 216 points. December 1, the European Market had its worst day in history. Hundreds of billions of dollars of market capitalization were wiped out in the US and Europe.
- **1999, May 3**
  - **Cause** = Arafat was scheduled to declare an independent Palestinian state with Jerusalem as its capital.
  - **Effect** = For two days, tornadoes hit central US, particularly Oklahoma and Kansas—152 tornadoes touched down; \$1.4 billion in damage; 50 dead; nearly 900 injured. Arafat's declaration postponed to December 1999 at request of Clinton.
- **1999, October 11**
  - **Cause** = Jewish settlers in 15 West Bank settlements are evicted from their homes. Additionally, Arafat and Netanyahu met in Maryland for five days to continue Albright's plan which would force Israel to give up major areas of Judea and Samaria.
  - **Effect** = The Dow Jones financial average lost 5.7% in the worst week since October 1989. October 15, the Dow lost 266 points. A hurricane hits North Carolina. October 16, a 7.1 earthquake rocks southwest US—5<sup>th</sup> most powerful earthquake in 20<sup>th</sup> century. October 17, Hurricane Irene boiled over—it never made landfall but resulting rains and tornadoes in southern Texas caused over \$750 million in damage; 31 dead. October 21, Clinton declared the hard-hit areas of Texas a major disaster area.
- **2005**
  - **Cause** = Ariel Sharon endorsed the Roadmap for Peace and began plans to remove the Jewish population of Gush Katif from the Gaza Strip. August 15, 2005—the day after Tisha b'Av—scheduled dismantling of the Jewish settlements. This disengagement was due to US pressure.
  - **Effect** = Less than two weeks later, Hurricane Katrina destroyed New Orleans and other parts of Louisiana--thousands homeless; 1,833 dead; estimated over \$108 billion damages.
- **2008, April**
  - **Cause** = Former President Jimmy Carter, a strong advocate of the BDS movement, meets with leaders of Hamas, announcing to the world that the terrorist organization dedicated to killing Jews are “committed to peace.”

- **Effect** = One year later, he was diagnosed with cancer and melanomas were found in his brain and liver. After only a few months of treatment, the doctors pronounced him cancer-free. Pembrolizumab, a drug developed in Israel, was part of his treatment.
- **2015, August 5-13**
  - **Cause** = Iran announces nuclear deal.
  - **Effect** = Iran hit with a heatwave hitting 164°F. One week later, a meteor struck Iran.
- **2016, June**
  - **Cause** = A summit was held in Paris as a prelude to a multi-national conference that would force Israel to unilaterally accept the two-state solution.
  - **Effect** = As the delegates left the summit, rain began to fall. Over the next 24 hours, the River Seine rose 20 feet, resulting in the worst flooding Paris has seen in decades.
- **2017, August**
  - **Cause** = The Trump Administration's Middle East negotiating team, led by Kushner and Greenblatt, visited the region in an attempt to jump-start peace talks.
  - **Effect** = Ten days later, Hurricane Harvey, made landfall, slamming the Corpus Christi region of Texas with 130 MPH winds and 13-foot storm surges.
- **2021, August**
  - **Cause** = Biden and Bennett scheduled to have their first face-to-face meeting on August 26, 2021. It is delayed until August 27, 2021 and lasts 50 minutes, with a 15-minute press conference. Bennett departed the United States late on Saturday, August 28, 2021. We do not know for certain what they discussed in private...
  - **Effect** = Hurricane Ida makes landfall near Port Fourchon, Louisiana on August 29, 2021 as a category 4 with 150 mph winds the day after Bennett left. As of the morning of August 30, 2021, 1 million without power and at least one death confirmed.
