

Teach Your Children to Stand Firm in Their Faith

There are lessons of faith for you and your families to KNOW, SEE, and FEEL as you celebrate Hanukkah.

Teaching the next generation HOW to stand firm is critical in this season. The Hanukkah story encourages, equips, and strengthens them for their Kingdom call...

5 LESSONS OUR CHILDREN CAN LEARN FROM HANUKKAH

- 1. Rely on God's Strength.** The Greeks at the time relied on false gods and performance. The Maccabees relied on God's strength.
- 2. Don't Compromise Your Faith.** The Greek leadership pressured the Jewish to conform to their culture. The Maccabees resisted and won the battle.
- 3. Know Your Identity.** Teach your children how they are part of God's army. They will experience the God of miracles in their lives, just like the Maccabees.
- 4. Embrace the Trial.** Tests and trials aren't easy. But just as the Hanukkah story became a powerful testimony of a small remnant, trials produce a testimony for us today.
- 5. Trust God Will Provide.** Just as God provided the oil for the menorah, He provides for our every need today.
