Prayer of Repentance in the
Courts of Heaven

CURT LANDRY®

Biblical Principle of Repentance:

"...if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

—2 Chronicles 7:14 (NKJV)

"From that time on Jesus began to proclaim his message with these words: 'Keep turning away from your sins and come back to God, for heaven's kingdom realm is now accessible.'"

—Matthew 4:17 (TPT)

"He who covers his sins will not prosper, but whoever confesses and forsakes them will have mercy."

—Proverbs 28:13 (NKJV)

"And now you must repent and turn back to God so that your sins will be removed, and so that times of refreshing will stream from the Lord's presence."

—Acts 3:19 (TPT)

Prayer of Repentance in the Courts of Heaven

Below is what a simple prayer of repentance in the Courts of Heaven might look like. This is something you could use as a pattern/example as you repent in your own life, or for generational curses, but is specifically written with today's prayer in mind.

"Heavenly Father, I approach You in humility, as one who is washed in the blood of Yeshua.

"I confess my fault of canceling, being critical, or judging others. I understand that I reap what I sow, and I ask that You remove all snares from my words or thoughts where I have canceled others, and thereby have released seeds of cancellation in my own life.

"I ask that it be recorded in the Courts of Heaven that I am releasing forgiveness to all who have canceled me and seek forgiveness for all I have canceled. Thank you, Just Judge, Heavenly Father, for ruling forgiveness on my behalf and silencing the accuser of the brethren in the Courts of Heaven, who speaks against my prayers, petitions, proclamations, and supplications.

"My First Amendment right in the Heavenly Realm is active, and I am in good standing to speak before You in Your mercy court. In Yeshua's' Name—Amen."

Inspired Prayer

Below is a copy of my personal prayer that I prayed after writing about the cancel culture operating within the Church and the importance of our heartfelt repentance. I would be honored if you would join me in agreement:

“Father God, we come to You in the name of Yeshua (Jesus). And Lord, You have challenged us with an opportunity to break the curse that is trying to devour our First Amendment right of freedom of speech and freedom of assembly. It is critically important to You that we assemble and speak truth—not just as voices here on earth, but that what we decree would be heard and recorded in Heaven and then be made manifest on earth.

“We gather together in agreement with all who pray this prayer in unity—regardless of time, date, or place. Lord, we come to you in Yeshua’s name. Your Word says “if My people,” and we decree that we are Your people—Jew and Gentile, as One New Man. You instruct us to humble ourselves and pray, and we therefore choose to humble ourselves.

“We come into the room of atonement and receive the blood of Yeshua to expunge all sins, both current and any sins dating back to the garden. We humble ourselves to be cleansed by the blood of Yeshua knowing that we cannot do anything without You, but can do all things through You.

“Your Word says we are to do more than just pray, and that we are to turn from our wicked ways. I choose to turn from my wicked ways—from following the dictates of my own heart—and I will not follow the dictates of my emotions or my soul by canceling people who do not agree with me. And I choose that I will not walk in offense.

“I believe that as we humble ourselves, pray, and turn, that You will hear from Heaven. I thank You that You hear My prayer this day and record it in the Courts of Heaven. May it be recorded that I, [YOUR NAME], have come out of agreement with the curse of the cancel culture, not only in the United States, but throughout the nations of the world.

“Father God, I put on the full armor of God.

I put on the belt of truth and prepare my feet with the true gospel of Yeshua.

I put on the priestly breastplate of righteousness.

I put on the helmet of salvation, and I take the sword of the Spirit.

I take up the shield of faith which quenches every fiery dart that would come against me.

In Yeshua’s Name!

“As we come together collectively as the Ecclesia—the Body of Messiah from around the world—we come together in the Mercy Court and address You as Just Judge and Heavenly Father.

“Lord, we admit that we have been wrong and we have sinned against You and You alone.

We have not followed the patterns and protocol of Matthew 18 in regards to disagreements. We have not gone to our brothers and sisters or taken our complaints to the Church—and therefore, we have canceled others in the Church with our offenses.

“We understand that the accuser of the brethren is therefore accusing us of operating within a cancel culture mentality and therefore we cannot cancel this assignment in the US and the world at large. We repent for canceling one another and decree in the Courts of Heaven, that You will restore to us our legal right and authority to bind and loose.

“We thank You, Lord, that according to 2 Chronicles 7, that in repentance You will heal our land and hear us. Thank you, that You will hear and heal, and that our freedom in the First Amendment right is being restored today—both our freedom of speech and our freedom of assembly.

“Father God, as we assemble again together in prayer, we decree that according to Your Word, one can put a thousand to flight and two ten thousand—and so will many, many more as we come together in repentance and in agreement all around the world. Forgive us for our sin of the cancel culture in the Church. The cancel culture of going dark and sweeping issues and offenses under the rug. The cancel culture of canceling your prophets and one another. Forgive us that we have not followed Your biblical gospel instruction of Matthew 18.

“On this day that we have been cleansed, we decree and declare that we have received from You the expungement of our sin, and we decree that we might be heard and that You would move on our behalf.

“We put You into remembrance of Your Word according to Isaiah 43, and we decree that You have given us the power to bind and loose, and to tread on the head of snakes and scorpions, destroying all the works of the enemy. We come to You now, as the Just Judge, and out of the war room we ask that the angels of the Lord and the warring angels of Zion be released into the Heavenly Courts to restore our voice so that we might be heard in Heaven as we are heard on earth.

“May there be a gag order put on the accuser of the brethren—the accuser who cancels our prayers in the Courts of Heaven. Thank you, Father God, that he is gagged, bound, and cast out. That he can no longer operate to cancel us. We stand as “non cancelable,” with hearts filled with repentance.

“Through Your power, O Lord, we are the redeemed of the Lord and we say so! Father, the demonically inspired cancel culture in the U.S. and elsewhere was designed to create an anti-Christ, one-world government that cancels us with false propaganda, Lord, we rebuke that assignment in Yeshua’s name. We silence the enemy. Let the Lord of Righteousness—let this gospel, His gospel—be preached.

“Isaiah 55:11 promises that Your Word shall not come back void, but shall prosper in that which it is sent to do. We decree that as of this day, the Body of Messiah is free from cancel culture. May all the words that have ever been spoken in the Courts of Heaven come through the heavenly realms and be made manifest exactly as it was designed to on earth as it is in Heaven—unaltered, unadulterated, and unhindered.

“Thank you, Lord, for giving us this day our daily bread, and for forgiving us our trespasses.

“We thank you, Lord, that Yours is the power and dominion. And that Yours is the glory forever! We give You praise!

“Thank you, Lord, for removing the curse of the cancel culture from ourselves, our families, our businesses, our ministries, and our nation.

“We seal it in Yeshua’s Name—Amen!”
