You Were All About His Kingdom in 2022!

There were many dark moments in 2022, yet you shined. You followed God's lead and allowed Him to fulfill prophecy through your generous heart, bringing light into the darkness. You truly sought His Kingdom first.

Let His promise of Genesis 12:3 and Matthew 6:33 encourage you of His faithfulness as you continue to align with God's heart.

“

I will bless those who bless you, and I will curse him who curses you; and in you all the families of the earth shall be blessed.

— Genesis 12:3

“

But seek first the kingdom of God and His righteousness, and all these things shall be added to you.

— Matthew 6:33

Holocaust Survivors

“

Fear not, for I am with you; be not dismayed, for I am your God. I will strengthen you, yes, I will help you, I will uphold you with My righteous right hand. — Isaiah 41:10

In 2022, You Encouraged and Cared for Holocaust Survivors

- You provided heaters for more than 25 Holocaust survivors and their families during the cold winter months.
- You gave special gifts and meals to Holocaust survivors for Purim, Passover, Shavuot, Rosh Hashanah, Yom Kippur, Sukkot, Hanukkah, and Shabbat.
- You provided more than 400 orthopedic sandals and basic needs to Holocaust survivors in the hot summer months.

Mayor Benny Kashriel from Ma'ale Adumim sent these words to Curt Landry Ministries partners and supporters...

July 2022

Dear Curt Landry [Ministries],

"On behalf of Ma'ale Adumim Municipality, I would like to express our deepest gratitude for your support in the project 'Sandals for Holocaust Survivors'— a project that was initiated and organized in order to provide sandals for Holocaust survivors with low-income living in the Gil Hazahv – Ma'ale Adumin nursing home.

We are full of appreciation and gratitude for your helpful cooperation in giving Holocaust survivors in need that experienced atrocities in the 1940s— giving them an opportunity to improve their quality of life and gain the respect they deserve. I am sure that the Holocaust survivors will make good use of the sandals and will remember your kindness.

Your contribution to help the city and its citizens [in this project] for the third year was special and very significant to them and helped us serve the community..

I will be happy to keep in touch with you and help you with any request or question you may have so that we can continue working together for the benefit of the residents and the city.

Sincerely,

Benny Kashriel,
Mayor Ma'ale Adumim Municipality

We are excited to expand the reach of services to Holocaust Survivors to include those in the New York area in 2023. We will be providing meals, social workers, and other basic needs to those who live within the region. You continue to build a bridge between Israel and the Church, between the nations, and touch the hearts of God's people worldwide!

IDF | Israel Defense Forces

“

The Lord is my strength and my shield; my heart trusted in Him, and I am helped; therefore my heart greatly rejoices, and with my song I will praise Him. — Psalm 28:7

In 2022, Helped Israel Defense Forces (IDF) Become the Shield God Assigned Them to Be

- You gave 480 boxes of food and goods to soldiers and their families in need.
- You have been faithful to give to lone soldiers, so we've been able to increase the number of soldiers we serve each week.
- You provided more than 12,000 Hebrew-translated copies of Reclaiming Our Forgotten Heritage to soldiers.
- You generously provided gifts, fellowship opportunities, and food for special occasions such as Purim, Feasts of the Lord, Israel Independence Day, Hanukkah, and many more.

Just a few short months ago, many soldiers ran a 7-mile race honoring lone soldiers in the IDF. Several hundred soldiers, both men and women, ran around the ancient city of Shilo. This was after a night of battle, catching terrorists just hours before. The winners received shirts you provided, along with Curt Landry's book, *Reclaiming Our Forgotten Heritage*. You also provided breakfast for the runners!

Members of the IDF are always surprised to discover so many Believers from every nation love and support them. They admittedly feel alone at times but tell us that when they receive messages of hope and generous gifts of love, their hearts are stirred, and they can persevere with renewed strength.

Boys' and Girls' Safe House

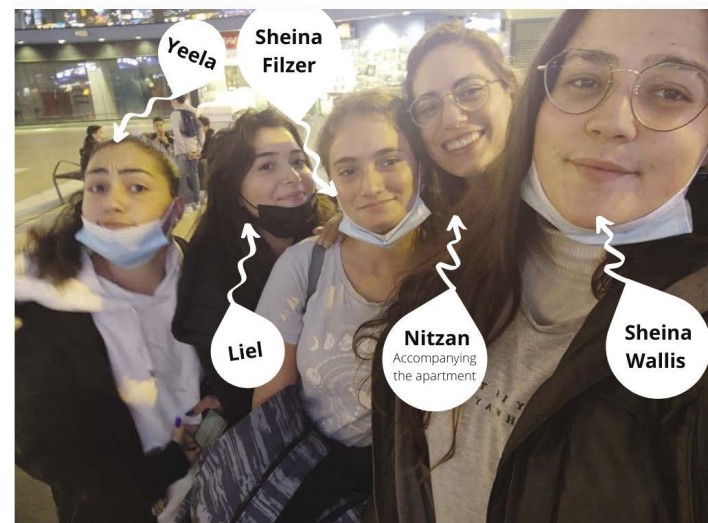

“

The name of the Lord is a strong tower; the righteous run to it and are safe.” — Proverbs 18:10

In 2022, You Helped Young Men and Women Find Safety and Comfort to Grow and Heal

- You helped young women begin to grow as they shared their journey of healing with younger high-risk girls and gained independence.
- You helped young women successfully complete training courses to help them move forward with their plans for the future, from serving in the IDF to being financially responsible.
- You helped many young men learn how to become financially independent as they graduated from the program and applied what they learned in the next season.

We know the enemy attacks young people, hoping to disrupt the future of Israel. But you have shown them the strong tower and safety of the Lord. You have provided a home, family, counseling, guidance, and mentorship to these young people.

They tell us that living at the Safe House has changed their lives. They not only have been able to overcome pain from their past, but they have learned foundational skills to have a successful future.

Next Generation

“

Behold, children are a heritage from the Lord, the fruit of the womb is a reward. Like arrows in the hand of a warrior, so are the children of one's youth. Happy is the man who has his quiver full of them; they shall not be ashamed, but shall speak with their enemies in the gate.” — Psalm 127:3–5

In 2022, You Were There to Support and Provide for Those Who Were the Weakest

- You gave gift bags and other goods to more than 100 Ukrainian orphans, giving more than \$115,000 of support.
- You sent 70 Ukrainian orphans to a summer camp to prepare them for the upcoming school year.
- You gave nearly \$10,000, which brought joy and provided basic needs for those at ADI Jerusalem. They received bedding and much more. They celebrated Purim, Rosh Hashanah, and Hanukkah with hearts full.

Ukrainian families and children were overjoyed to receive care boxes and gift bags with the toys, treats, and essential items you provided. With tears in their eyes and smiles, they showed incredible gratitude for your love and concern during this tragic time in their lives.

You provided a foundation of success for 70 Ukrainian orphans by paying their way to attend a summer camp. This allowed them to receive emotional and psychological support, learn the Hebrew language, and integrate into the local culture before starting a new school year in a new nation. The seeds you sowed are still producing great fruit, and we trust they will continue to do so as this year progresses.

For years, we have partnered with ADI Jerusalem (formerly called Aleh

Children Jerusalem). This amazing organization is dedicated to providing its residents and special education students with the specialized services they need to grow and thrive.

Those who lived in the ADI Jerusalem home were also joyful as they celebrated the holidays in 2022. They smiled and laughed as they put on Purim costumes, had a party, and received gifts from you. Not only were the residents of ADI Jerusalem emotional, but so were the workers and those on our team. It's beautiful to be able to release the blessings of God, showing others how He cares about details and wants to see them lighthearted.

Hurricane Ian Relief

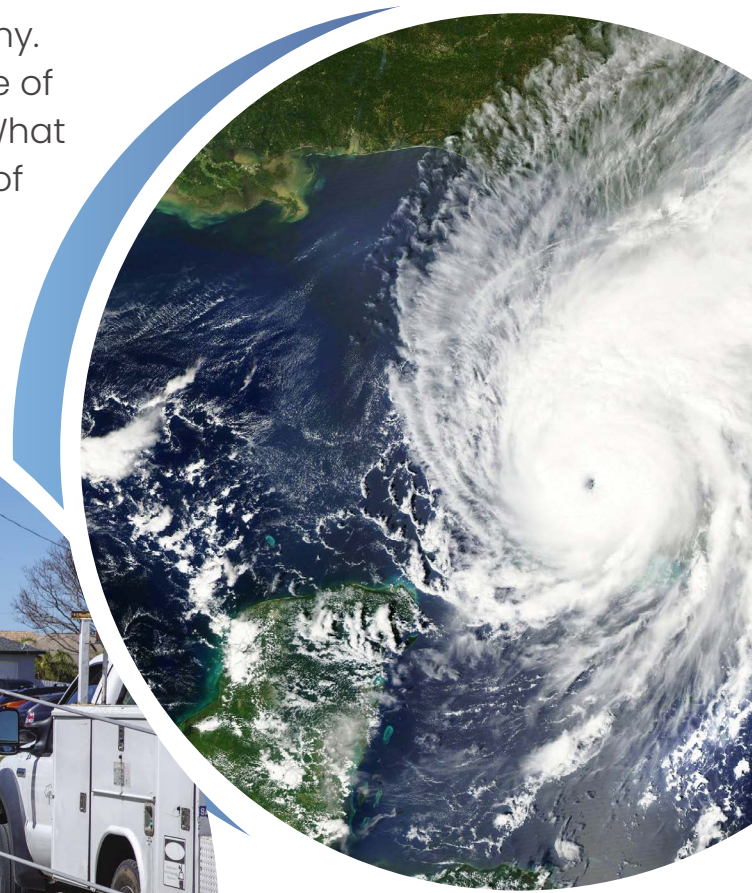

In 2022, You Lifted Up Those Impacted by Hurricane Ian

- Thousands of you joined together to release a prayer of protection for those in Hurricane Ian's path.
- You gave more than \$10,000 for emergency relief.
- You provided food pouches, pallets of bottled water, emergency blankets, and more.

You know prayers of a righteous person are powerful and effective. When praying with the mind of Christ, and activating those prayers with a Christ-centered contribution, the release of peace covers the land. This is what you did last September in the midst of the mighty winds and rain of Hurricane Ian.

Your contributions meet the needs of many. We were some of the first to help because of the seeds you planted early in the year! What an amazing testimony of God's principle of sowing and reaping.

Mission Possible

In 2022, You Raised More Than \$177,784 to Pour into the Hearts of Young People

- You came together to pray for the hearts of young people in America.
- You gave so that we can expand our media library to reach even further.
- You helped build the foundations for a resource library that meet the younger generation right where they are.

God has given us tools through virtual technology to accomplish His Kingdom goals. You have played a critical role in spreading the message of Yeshua and impacting the younger generation at great risk of turning their backs on God.

You have jumped into the river and have chosen to be carried by the speed of the Holy Spirit. You are helping to shape the nation for the next generation.
